Count Me In: Math in early childhood

This workshop presents strategies for integrating math concepts into play experiences including story enactment, teacher made games, movement activities, songs and finger plays. Participants will be guided to distinguish between mathematics teaching based on rote memorization and that which is constructed by children through meaningful play and problem solving experiences.

Trainer: Deborah Betit
Date: August 15
Location: YMCA, Bath
Time: 6:00-8:00 pm
Fee: \$25.00

Supporting Young Introverts

Classrooms by nature, are designed for extroverted children. Introverts have to work harder to be comfortable in larger groups of people and in new situations, but there are many simple ways to support your introverted children. Learn how introverts see and experience the world and discover a handful of tips and tricks for helping young introverts thrive.

Trainer: Josephine Roberts
Date: August 17
Location: YMCA, Auburn
